2.

ILLEGIB

quartered in the economic building at the field. He was in charge of a guard detail of 30 to 35 men. Recently, naval officers' dependents have additionally been quartered at the field. In February, a supply agency was allotted hard coal by the air force from ~~Monte Estrella~~ in Peenemuende. This coal was to be hauled from Garz airfield.

2. About 1000 on 5 April, 4 AA guns arrived at the field from the direction of Swinemunde. Firing was practiced with these guns almost daily. On 17 April, the guns were removed again. About 1700 on 23 April, 8 AA guns arrived at the field from the direction of Swinemunde. On 28 and 29 April, there was air-to-air firing at sleeve targets.

Comment. Since February 1952, Garz airfield has not been occupied by a flying unit. At present, the field is probably used for storage purposes
